

GRANDE FJORD HOTEL

Wedding

Grande Fjord Hotel is a hidden gem, situated right on the shores of the Geirangerfjord. A hotel surrounded by fjord, mountains, and waterfalls – like a natural bridal veil, creating the perfect setting for a fairytale wedding.

Whether you wish to have the ceremony by the water, in Geiranger Church, or out on the fjord, Grande Fjord Hotel is just the right size to accommodate the ceremony, dinner, and celebration – all in one place. With 48 rooms and a maximum capacity of 100 guests, you can host an intimate wedding with 10–20 guests or book the entire hotel for a more private wedding weekend.

We assist with everything from planning to catering, table settings, and the little details that make your day personal and unforgettable. Together, we tailor your dream wedding – in a fjord straight out of a dream.
